

BJR Parent Satisfaction Survey Results Autumn 2018 (100 respondents)

Here are some examples of the comments parents wrote about BJR

My child's teacher is absolutely amazing, very patient, because of her passion to teaching we were able to make significant progress in my child's behaviour. I couldn't ask for a better teacher/person to be present in my child's education setting.

My child is doing well with the help of her teacher. Spoke with the teacher and she explained to me were my child is doing very well and were she needs to put more effort in.

The school security is excellent.

My daughter has made, and is making amazing progress thanks to her teacher's support at every level.

BJR is epitome and exemplar of well-rounded education. There has been consistent continuous improvement since my children have been attending school.
