Dear Parents and Carers,

Design the Bike of the Future

We have been made aware of a fantastic competition where you could win a bike and accessories!

Imagine a world where more people ride bikes, the roads are safer, the air is cleaner, and lots of people enjoy being active outdoors. We would love for you to be a part of this by designing the "bike of the future" to help us picture this amazing vision! You can let your imagination run wild – use paints, pens, collage materials digital design or even a 3D model. There are no rules, just have fun!

The competition is open to everyone. Please send in your designs (if these are models, please take a photo and attach to the piece of paper) by Monday 15th April to the school office. The best 2 designs from each class will be sent to the National competition. A certificate will be provided for everyone who provides a design.

If you have any questions about the competition, please come and talk to one of your Tfl Explorer Ambassadors.

Kind regards

Mrs Ripley
