Dear Parents and Carers,

Travelling Books

Great News! We have been able to liaise with the Travelling Book Company to ensure a Covid-secure way of providing the book fair next week.

The children will view the books in small groups within their bubbles and complete a wish list of their choices, which they will bring home to share with you. I have attached the full list of books that are available for you to order so that you may discuss them with your children and review their requests.

3 for 2 Offer

This year there is a special 3 for 2 offer. If you buy three books the cheapest of the three is then free.

Payment

Once you are happy with your selection, you can pay online using the following link:
