Dear Parents and Carers,

We are delighted to share with you the beginning of our new initiative to support and encourage our pupils to be the best they can be. Our 'AAA Club' is open to every pupil and member of staff. Staff can nominate children to join the club (at any time during the year) and pupils can nominate staff to join the club.

There are 15 criteria for membership, divided into three groups:

- Application: How are children applying themselves to their learning and development.
- Attitude: How do children interact with other pupils and staff.
- Appearance: How do children show that they are interested and engaged with their school.

All criteria are shown on the poster below.

Staff are always on the lookout for new pupils to nominate to join the AAA Club, and will need to ensure that pupils can consistently answer all 15 criteria with Yes! Once nominated, members will receive a red and gold AAA Club badge, which they can wear with pride on their school jumper or cardigan (they don't need to wear it on their PE day each week!) There will be regular treats for AAA Club members and we look forward to sharing these with you.

To ensure children continue to demonstrate excellent behaviours for learning, staff will review pupils' membership each term. Those struggling to fulfil all 15 criteria will have a conversation with an adult, to warn them that their membership may be removed if this continues but more importantly, to discuss how the child can improve their behaviour choices to remain in the club. As one of our core Christian values, we truly see the importance of forgiveness, and whilst membership can sadly be lost, it can always be regained through making good choices.

If you have any questions about the AAA Club, please speak to your child's class teacher or come along to one of our parent morning coffee or afternoon tea sessions!

Yours faithfully,

Mr Matthew Harris
