Dear Parents and Carers,

It has been lovely to welcome our pupils back to school following the summer break. I hope you have been able to rest during the summer and are ready for the new school year.

While I would prefer that children did not have a phone in school, I accept that they are a part of our modern age and many parents give children a mobile phone to keep them safe and connected with others on their way to and from school each day. I am therefore permitting Year 5 and Year 6 children to bring in their mobile phones on the following conditions:

- Phones must be switched off and handed to a member of staff each morning to be stored safely in the school office.
- Phones will be given back to children at the end of the school day and must remain off until outside the school gates.

Our school accepts no liability for the loss or damage of the phones whilst in school.

If you would like your child to bring a mobile phone into school, please complete and return the slip below as soon as possible.

If you have any questions, please contact the school office in confidence.

Yours faithfully,

Mr Matthew Harris
