Dear Parent/Carer

We will be visiting your child's school on 21st October 2021 to administer the nasal flu vaccination to **those children whom we have consent forms for**. If there are any changes in your child's health, i.e. they are unwell or have had an increase in their asthma medication or if they have already received the vaccination at your GP surgery then please advise us on the above number.

If you have returned a form **consenting** to the vaccination but now wish to withdraw consent for the vaccination, please contact us on the above numbers no later than 48 hours prior to your child's school visit, failure to do so may result in your child inadvertently receiving the vaccination.

Thank you

Immunisation Team
